A FETTER THROUGH
Some flies to take on snout.
Though skies be black or blue,
So, dear, we have each other
A lifetime through.
The violet valleys sing it.
Faint of the sun and dew,
The solis in morning ring it.
A lifetime through.
And the black, black sky above us,
And stars that fade from view,
But the fond of Love to love us
A lifetime through.

STOCK CLEARANCE SALE!

A settlement of the estate of the late senior partner of this firm is to be made in January. A necessity of the event is the reduction of stock to the minimum. It is to our interest to convert goods into cash at the sacrifice of profit. It must be a clearance sale in the most comprehensive significance of the term—a sale in which neither cost, value nor loss get a moment's consideration. To reduce our immense stock is the only aim, the highest hope, the fixed determination. No man or woman who knows the value of a dollar, who understands this opportunity to save, will let it pass without taking advantage of it to the full as far as prudence and means permit. While many departments are represented here, it would take double the space this ad. occupies to tell of the dozens of other equally attractive bargains. Call on us, it's the only way to master all the facts.

SIX BIG VALUES!

No. 1—Melange Cheviot, 46 inches wide, 36, original price \$1. In all the new fall shades. If you can judge values we are sure wisdom will guide you rightly when you see this unusual bargain.
No. 2—Black Taffeta 27 inches wide, 36, original price \$1. Every yard guaranteed to wear. You may be surprised at the price, but you'll be more surprised at the quality.
No. 3—Onetta Union Suits, 46 inches wide, 36, original price \$1. Soft and fine, well made and finished. Closely knit to withstand many washings. You know the garment too well to need further description.

No. 4—Fancy Suitings, 42 and 45 inches wide, 26, original price 75c. Dark plaids and mixtures, strictly all wool. Effective for children's dresses, women's waists, wrappers and matinees.
No. 5—Women's Piece-lined Stockings, 25c, original price 30c. Fast black, silk fibers, ribbed or plain top, double sole and heel.
No. 6—Men's Two-piece Underwear, 46c, original price 75c. Best Maco cotton, finely woven, softly fleeced. A well cut and finished garment.

A DOLLAR

is worth just what it will bring. If you had a barrel of them in the heart of Sahara they wouldn't buy a cup of water. Now we are certain there is no place in Maysville where a dollar will buy a larger package elsewhere but we are not talking of quantities. We refer to qualities and values. The following list tells what a dollar will do in some of our departments. It's not a list of exaggerations but a statement of facts.
A dollar in the Linen Department will buy a splendid Bleached Pamask 72 inches wide in rose, fern, lilac, clover and many other patterns. Original price \$1 1/2. The best bed sheet you ever saw for a dollar and no wonder for they've been selling for \$1 1/2.
A dollar in the Colored Dress Goods Department will buy an exquisite French Broadcloth worth \$1 1/2 or a Pansie Cloth as soft as velvet worth \$1 1/2 or a Scotch Mixed Covert for walking suits worth \$1 1/2.

Rev. Elliott of Kentucky University, Lexington, will fill the pulpit tomorrow at the Christian Church in this city.
The C. and O. freight traffic department will probably be removed from Cincinnati to Richmond. It is the only main office remaining in Cincinnati.

DARKLEY'S

THE BEE HIVE

We make a profit on all the Dress Goods we are selling now. We have the most superb collection of dress fabrics ever shown in Maysville. We don't know of a single NEW fabric that is missing in this collection. The finest dress goods house in the World is Arnold, Constable & Co. of New York City, and we have secured the exclusive control of their line for Maysville. Our buyer makes the dress goods department his hobby. He studies all the fashion in dress goods the world over. If he hears of a new fabric coming over from the "other side," a telegram brings us a piece on its arrival in New York. We have sold more fine Dress Goods this year than the old store sold the whole of last winter. Next year we expect to sell more than all the stores in Mason county together. If you have seen our line you cannot deny that we have the finest collection in town. No old goods in the lot; that's why we ask a small profit. Are we not entitled to it?
